THE COMPANY

Pinti Inox S.p.A. is situated in Italy, in an area known as “Valtrompia” which has always been linked strongly with the metal-working sector.

Our family-run company has been a leader in the cutlery market since 1929 and it offers a variety of complete ranges (in classic, modern and fashionable styles). Our ranges make a perfect match for all styles of tableware and go together to create a harmonious ensemble for elegant tabletops. All of our lines are available in all the sizes you may require and with steak knives.

Today the company has two production units and three distribution units:

1. SAREZZO (ITALY): Pintinox S.p.A. with the Sarezzo plant, occupying an indoor area of 15,000 m², housing production of: all the group’s moulds and equipment, complete cycle cutlery, forged cutlery, knives, tableware and accessories, professional pans, buffet line and professional articles.

2. VALLS (TARRAGONA-SPAIN): The Valls plant (Tarragona-Spain) occupies an indoor area of 16,000 m², housing production of: domestic pans, tableware, coffee makers and complements, non-stick pans bearing the famous BRA mark.

3. GERMANY: In Germany, Pinti inox GmbH handles distribution throughout German territory.

QUALITY CERTIFICATE

In compliance with what defined in the ministerial decree D.L. 108 dd 25.01.92 and Dir. EEC 1935/2004 and 89/109, the cutlery and the holloware we manufacture are produced with materials which can be in touch with foodstuff.
